When the FBI can lie
to it, ~~Congress~~ or ~~he~~ can
lie under oath to the
Senate, ~~to~~ with all the
doubt we have cast by
the FBI's work in this
case, why believe it now—
and let it not rule to
stale & just use the law?

They have sworn to
compliance from the
Memphis F.O. Knowing
the swearing had to be
false, so why do they
"shake" & not search when
they do know where to
search & then refuse to
search? We have asked
about UFO & in months
have been ignored.
